

## Unique research tools for **Extracellular Vesicles**

- + Isolation & Purification  
(PS affinity method)

- + Quantification
- + Production
- + Storage
- + Exosomal marker antibodies

**10%  
OFF**

## Biochemical Test Kits **LabAssay™ Series**

- + Ammonia
- + ALP
- + Cholesterol
- + Creatinine
- + Glucose
- + NEFA
- + Phospholipid
- + Triglyceride

The LabAssay™ Series is a collection of biochemical assay kits for analyzing samples from humans, mice, and other animals.
